University	Degree name	Entry requirements	Special requirements/comments
<ul style="list-style-type: none"> • Highly competitive entry to all Humanities and Social Sciences degrees at University of Strathclyde. Students should only apply for <u>ONE</u> Humanities and Social Sciences degree choice (first subject/joint honours in Education, English, French, History, Law, Politics, Psychology and Spanish). • We look for information in your personal statement about your academic and career interests, and your range of skills, abilities and relevant experience. It should show that you have a strong awareness and interest in the subject you are applying to study. • Minimum Maths at National 5 C or equivalent is required for entry to all Humanities & Social Sciences degree courses. Please check with SWAP office if you are unsure if you are studying an equivalent. • Please also refer to the university prospectus for background information.
